From the Patron's desk

Dear Friends,

As we put together SPARSHA's maiden Annual Report, I am filled with immense pride and gratitude for the journey we charted over the past year. In our humble beginning, we have taken small, yet significant steps towards realising our mission objectives.

One of the noteworthy achievement has been participation in Har Ghar Tiranga campaign launched by Government of India as part of Azadi Ka Amrit Mahotsav. It gives me immense satisfaction to have witnessed SPARSHA spreading the Hon'ble Prime Minister Shri Narendra Modiji's message of patriotism and unity by distributing 500 national flags in rural areas under South Andaman District. This initiative instills a sense of pride in our national identity and strengthens the bonds of solidarity among fellow citizens.

On the organisational front, I am touched by the dedication and commitment shown by the founding office bearers in adhering to statutory norms and filings indicating complete transparency & accountability in governance. It is through these principles that we build trust and credibility among the masses.

As we move ahead in our path, let us also acknowledge the challenges that lie ahead. I am confident, with the collective determination of our members, SPARSHA will continue to make meaningful contribution. I extend my heartfelt appreciation to each and every one for your dedication and support.

With gratitude and optimism,

Vishal Jolly

President's message

Dear Friends,

As we stand on the precipice of another significant milestone, I feel greatly honored and privileged to share the strides that we have made as a team, during the course of our journey over the past year.

2022-23 being our first year, the focus was mainly on formulation of Bye law and other organisational aspects, leaving very little time for other core activities. The pivotal moment was the successful registration of SPARSHA under Societies Registration Act, 1860. This foundational step eventually laid the ground for obtaining PAN followed by registration in Gol's darpan portal for NGO's. Registration under Sec 12A and 80G of IT Act, 1961 further strengthened our position and visibility, allowing us to mobilize resources and collaborations from a wider spectrum.

I am pleased to report, during the first year itself we have complied with all statutory requirements relating to registration, auditing and filings including IT Returns. This underscores our commitment to maintaining transparency and financial integrity.

On this momentous occasion, I extend my heartfelt gratitude to the founding members, who have been there at ground zero right from day one. I also thank the volunteers and esteemed donors for their generous support to our endeavour.

As we move forward, let us take a vow rededicating ourselves to the aims and objects set forth in our Bye Law. With mutual cooperation and trust, I am sure, we will scale greater heights in the days to come.

I dedicate the year to the founding members, who stood there upholding the vision and mission of SPARSHA.

Sincerely yours,

Vice President's message

Dear Members,

As the Founder Vice President, this endeavor holds a special place in my heart. It is an honor to share my perspective through this inaugural annual report.

In the midst of COVID-19 lockdown, our President reached out to me with a vision to put in place a formal organisation with the view to extend a helping hand to fellow countrymen. What followed was a series of discussions that led to the formulation of our Bye Laws, MoA and the diverse range of programs that define SPARSHA's mission. These foundational documents not just represent the legal structure of our organization but also embody the vision and mission that drive us.

During the past year, we conducted limited number of programs such as the Azadi Ka Amrit Mahotsav, Har Ghar Tiranga Campaign, Give it Back Campaign, Cloth Distribution Program, Rangoli Competition etc.

As we celebrate the milestones achieved during our first year, I extend my heartfelt gratitude to our honourable members, volunteer and donors who supported us in our endeavour.

Let us continue to channel our collective energy, passion and resources to take SPARSHA forward.

Sincerely yours,

Vivek

General Secretary's message

Dear Members,

As I reflect upon the past year, I am filled with a sense of gratitude. Serving as General Secretary has been both an honor and a privilege.

The idea of establishing SPARSHA emerged during the crucial time when we were facing the unprecedented challenges due to pandemic. It was during that time that the initial discussions to create a formal NGO was initiated. However due to lockdown norms, we couldn't meet in person. Hence carried out the discussions over phone and soon after the lockdown norms were eased, we met and worked together to transform that little idea into reality.

My responsibility as the founder General Secretary was to facilitate organizational aspects of SPARSHA. This included organizing meetings, circulating agenda points, documenting the minutes of our deliberations, official communication etc. I am grateful for the guidance of the President and participation of the members leading to formation of SPARSHA as a registered entity.

However, due to preoccupations, I have had to give up my role as General Secretary midway. Nevertheless, I am confident that the seed we planted will flourish into a garden in the near future.

I express my sincere gratitude to the President and all members who contributed to our organizational development. I also extend my best wishes to the incoming office bearer and urge all members to continue the incredible work.

Thanking you,

Ajay Singh

Org Secretary's message

Dear Members,

With profound gratitude, I revisit the past one year that brought us together on a common platform. The inception of SPARSHA, which is the brainchild of our President, with whom I shared my childhood, has been a transformative experience for me.

The challenges that we faced in reaching out to needy during pandemic marked the beginning of a profound realization during the course of several discussions with our founder President. It was obvious that a formal NGO is the need of the hour, if we are to extend our reach and amplify our impact on social welfare initiatives. It is in this backdrop that we set sail to form SPARSHA.

My primary role has been to mobilize resources including funding required for our initiatives. I am grateful for the guidance and support extended by the President. Together, we have worked to make our vision a reality.

I would also like to express my sincere thanks to our founding members and donors who has been part of this incredible journey. Your generosity has been instrumental in turning our aspirations into tangible actions.

Looking ahead, I pledge to work hand in hand so that we are able to extend our social sector initiatives.

Thank you in advance for your unwavering support.

Yours Sincerely,

G TS Rao

Treasurer's message

Dear Members

As the Founder Treasurer of SPARSHA, I recollect the genesis of SPARSHA, born out of the challenge faced during lockdown. Having experienced the limitations of individual efforts, we realized the need for a formal institutional setup.

In the pursuit of this vision, I dedicated myself to the formation of SPARSHA. As the Treasurer my responsibility includes management of financial affairs, ensuring proper accountability and responsible utilization of the resources.

I am immensely grateful for the support extended by the President and members. I am also thankful to Mr G Raju for his guidance and help in accounting matters. I also extend my gratitude to our sponsors and donors.

Under the guidance of the President, we have maintained comprehensive records of our financial transactions and completed the audit, filing of IT returns and issuance of receipts for every donation received.

One aspect that I feel worth mentioning here is that all the donations that SPARSHA received, has been received cent-per-cent through banking channels.

Looking ahead, I am optimistic that our collective efforts will take us to greater heights in the days to come.

Thank you all for your support,

S Sada Siva

In alignment with the “Each One Plant One” campaign initiated by A&N Administration, SPARSHA joined the initiative by organizing Mass Tree Plantation Drive at Shore Point. The initiative saw planting of 50 shade and fruit-bearing plant saplings provided by the Mannar Ghat Range, Department of Environment and Forests, Andaman and Nicobar Administration.

The need for such mass plantation stems from the environmental concern such as deforestation, climate change & loss of biodiversity and demand collective action. Mass Tree plantation play crucial role in mitigating these issues by restoration of green cover, improving air quality & providing habitats for diverse ecosystems.

On August 15, 2022, under the leadership of Shri Vishal Jolly Patron, President, Members of SPARSHA and a good number of villagers, joined hands to plant saplings at Shore Point village. This collaborative effort symbolize SPARSHA's

commitment towards conservation of environment and exemplifies the power of community engagement in fostering a sustainable future.

It is imperative to recognize that forests act as carbon sink thereby play a vital role in combating climate change. Forests also provide a range of other biodiversity services required for sustaining life.

As we continue to face environmental challenges, SPARSHA remains committed to playing its part in pro-

moting a greener and healthier planet.

Through such initiatives SPARSHA aim to inspire youths to join hands and be an active participant in nurturing and preserving the precious natural environment that we have inherited from past generation.
